

Kannon Korp LLC

Capability Statement · Contract desktop, end-user and service desk IT support

Huntsville, Alabama · contact@kannonkorp.com · kannonkorp.com

CORE COMPETENCIES

- Desktop and end-user IT support, including executive support
- Workstation imaging, deployment, data migration and lifecycle replacement
- User accounts, permissions, VTC and printer support
- Service desk ticketing (Remedy, ServiceNow) and technical documentation

DIFFERENTIATORS

- CompTIA Security+ ce, current through June 2028. Fit for any DoD 8140 work role is confirmed with the hiring contractor against that role's requirements.
- CompTIA A+ ce and Project+ ce
- Five-plus years of IT support across government, healthcare and education organizations, including three years fully remote
- Security-minded, documented work: least-privilege access and clear handoff notes
- Remote-first, with U.S. evening time-zone overlap
